13.01 DIRECTOR OF PUBLIC WORKS. (#1011 3/6/07)

The position of Director of Public Works shall be established under Section 1.03 of the Municipal Code. The duties and responsibilities of the position shall be established from time to time by the Council pursuant to resolution or employment contract. The Director of Public Works shall manage the street, water and sewer departments. Such resolution or contract may also include residency requirements to the extent permitted by law.

13.02 PUBLIC WORKS.

The provisions of Sec. 62.15 of the Wisconsin Statutes shall be followed for all Public Works projects. Included shall be the ability of the Council to provide for public construction being done directly by the City without submitting bids pursuant to a three-fourths vote as provided for in Sec. 62.15(1).

13.03 SPECIAL ASSESSMENTS.

The provisions of Section 66.0701 through 66.0733 of the Wisconsin Statutes, including any revisions or modifications thereof, are incorporated herein by reference (Statutory Procedure). The Statutory Procedure shall be followed unless the City has, by resolution or ordinance, adopted an alternate procedure for the method and manner of establishing special assessments, including the calculation of frontage and corners, costs to be included method of payment and deferral and installment payments.
